TOWN OF KENT POLICE DEPARTMENT

STATEMENT OF CORRECTION FOR EQUIPMENT DEFECT

If a summons is issued for an equipment defect in violation of VTL sections 375, 376 or 381, (except where both headlamps are defective and except a violation relating to service brakes), the charge will be dismissed if proof is presented to the court that the defect was corrected prior to 1/2 hour after sunset on the first full business day after issuance of the summons (VTL 376-a).

The following are acceptable proofs of correction: (1) A statement of correction from an officially designated state inspection station duly executed by the person performing or making such inspection.and bearing the official stamp of the state inspection station, or an automobile repair shop on the letterhead of such repair shop duly executed by the person who made the correction, or from any registrant having more than twenty-five vehicles registered and having a fleet maintenance program administered by the registrant, duly executed by the person performing or making such correction and countersigned by the fleet maintenance supervisor, or (2) a signed statement of any police officer that the necessary corrections have been made, or (3) in the discretion of the court, submission of the vehicle to the court not later than 1/2 hour after the next ensuing sunset.

The following may be used by inspection stations, fleet maintenance supervisors and police officers:

TO: _____ (COURT), I _____ (NAME), _____ (OCCUPATION)

_____ (POSITION), _____ (ADDRESS OR POLICE DEPARTMENT), affirm under penalty of perjury that

on ____/____/____, at ____:____ M, I inspected (repaired) the defective equipment, cited in the summons

for a _____ (YEAR), _____ (MAKE), _____ (MODEL), bearing _____ (STATE) registration _____ (PLATE NUMBER),

and have found it to be corrected and/or in proper working order and adjustment.

_____

Place inspection station stamp or signature of fleet maintenance supervisor or Police Officer above.
